

A Hiding Place

Description

A Hiding Place is the first book in the imaginative, children's book series *Theo's Adventures*.

The young bunny Theo plays hide-and-seek with his siblings. This time, he's determined to finally win. To find the perfect hiding place, Theo has to leave the safety of his home and confront his fear of the unknown.

Along the way, Theo makes unexpected friends. He meets the confident gecko Sammy and the hard-working spider Catherine along the way.

Together, they show that bravery doesn't mean you are the strongest, and that true courage is shown by trying something new. Theo also discovers that everyone has a superpower.

Perfect for children aged 4–10, this beautifully illustrated chapter book includes songs that bring the characters to life.
